MEMORANDUM FOR: Art Carlucci

STAT FROM:

C/NBPO/OL

SUBJECT: Clean-up Along Turkey Run

1. During the last two weeks, we have discussed the need for the contractors to properly maintain the appearance of their parking area which is adjacent to the Claude Moore Colonial Farm at Turkey Run. As you can tell from the attached letter by the Director of Central Intelligence to Senator Warner, this issue is of serious concern to the Agency.

2. Recent clean-up efforts have been partially successful, but your personal interface with three contractors is probably necessary to insure that daily clean-up is accomplished. I would suggest that you consider establishing a weekly or monthly schedule of responsibility for each contractor and daily inspection by a member of your field staff.

Dear John:

Thank you for your letter concerning our construction activities across the road from the Claude Moore Colonial Farm at Turkey Run. I concur completely with your observations, and action is already under way to improve the appearance of the area.

To ensure that these improvements have your approval I have asked [redacted] Chief of the New Building Project Office, to meet with Andy Wahlquist of your staff to achieve our mutual goal of a "good neighbor" policy.

Sincerely,

WJ Bill
